Jobs. Freelance writing and design. I'm an established freelance writer, editor and designer, specialising in the production of radio, television, website and print communications. My experience means I'm just the right person for the job. Here's a little background on who I am and what makes me successful. I've won awards for radio scripts, short story writing and a magazine article. I worked at ITV's Consumer Editor and regularly cover and advise on articles for newspapers and magazines. I currently write for: Smart Money - One of the UK's most respected financial magazines. Welsh Journal - A monthly magazine for Wales. The European Professional Photography Magazine. The National Newspaper for Derbyshire New Media Consultancy - A leading digital agency in the South of England. Fashion and Beauty Magazines - A top London-based editorial outfit. Joomla.org - Highly successful website development agency. Here are some projects I've completed in the last few months:
